Frequently Asked Questions

What additional costs should I be aware of?

Generally, the most common expenses outside the rental of the exhibit space are incurred through shipping, freight handling, furniture ordering, installation labor & booth cleaning. Please take a minute to review the shipping and other order forms provided in your Exhibitor Services Manual.

Do I need to carpet my booth?

No, the Exhibition area, located in the Meridien Ballroom is carpeted.

How many badges do I receive with my sponsorship?

This depends on your company's level of sponsorship. Please refer to the Registration Information Section for a detailed description.

What shipping method should I use?

We suggest that you use the international shipping method your firm normally uses, and is most comfortable with. You will likely need to fill out a customs declaration form or commercial/pro forma invoice. As with any international shipment, additional time should be allowed for your materials to clear customs. **Remember to keep copies of all shipping documents in case you need to track the shipments.**

The hotel suggests that exhibitors use Federal Express or DHL for time sensitive deliveries of small packages. These should be addressed to a member of your staff who is staying at the hotel. A tutorial on international shipping is available at: <http://www.fedex.com/us/international/shipguide/>

Is there an Advance Shipping / Freight Forwarder?
