Situated just 5 minutes walk from Tower Hill and Tower Gateway DLR stations, the venue sits in the exclusive gated "Royal Mint Court" business community – keep an eye out for a large stone arch which forms the entrance to Royal Mint Court. Once through the arch, follow the signs to Dexter House.

By Underground, Tower Hill Station
Exit Tower Hill tube station and follow the sign to Tower Gateway DLR (also signed Tower Millennium Pier and Tower of London). Follow the pathway for 200 yards past the London Metropolitan University (on your left) and at the pedestrian crossing, cross over The Minories (Societe Generale building will be in front of you). Turn right at the Societe Generale building and cross over the next pedestrian crossing (Sceptre Court will be on your left). At the next pedestrian crossing look across the road and you will see a large stone arch which is the entrance to Royal Mint Court. Go straight across East Smithfield via the pedestrian crossing and go through the archway.
